

**Driving Directions to UW-Center for Tobacco Research and Intervention
1930 Monroe Street, Suite 200, Madison, WI 53711**

NOTICE: Monroe St. Road Construction began March 12th: Monroe St. has been reduced to a single travel lane, moving inbound only (from Nakoma/Odana to Regent St). **This has affected Bus Service and bus stops.**

Please allow extra travel time to get to your appointment.

Traffic to Monroe St. will not be possible from downtown or points east. Participants may need to access UW-CTR from back roads off of Regent St (see yellow highlighted route on map below):

Coming from the Beltline Highway

- Exit at the Park Street exit.
- Head north on Park Street.
- Just past Meriter Hospital, turn left onto Regent St.
- Continue on Regent St. for about 10 blocks.
- Turn South (left) onto Spooner St.
- Turn Right onto W. Lawn Avenue. (or Right on Keyes Ave - If W. Lawn is closed)
- Turn Left onto Prospect St.
- The UW-CTR parking lot is located on Prospect Street just before its intersection with Monroe Street. Look for the beige stucco and stone building.

(See Back Side for Building Pictures and Parking Instructions →)

Front of Building

Back of Building

For Patient Parking

- Turn left into the first driveway and drive straight back.
- Red signs against the fence on the Left indicate patient parking spots (#37, 38, 39, & 40).
- Please park only in these spots or in the visitor parking spots (#53 & 54). The parking lot is shared with another University Department and it is important to park in specific stalls.
- Off-street parking in the neighborhood behind the Monroe Building is also available for parking.

UW-CTRI offices are located on the second floor, Suite 200. Turn right off the stairs or elevator and go to the end of the hallway. The Clinic Waiting Room is on your right.
